Welcome back after the long weekend! This week, we begin EQAO assessments with grade 3 students. Attached is some information for parents adapted from the People for Education website. Teachers have prepared students for the types of questions they will see on the tests and students should approach the tasks as they would any other assignment.

If your child follows an IEP and requires accommodations during the assessment, you will find them listed at the bottom of page 2 of the IEP. If you have questions or concerns about EQAO, please call me at school or contact your child’s teacher.

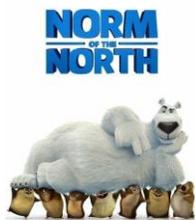

On Tuesday, May 23<sup>rd</sup>, all of our grade 8s registered at Nepean for September, will be walking over for a tour of the high school. The visit will be from 9:30-11:30. This is a great opportunity to begin their transition to secondary school. The principal will welcome them in the large auditorium and then they will tour the school in smaller groups. After the tour, they will resume

their lunch recess and return to Broadview for classes at 12:05. If you have any questions or concerns, please contact [Angie.Lennox-Hourd@ocdsb.ca](mailto:Angie.Lennox-Hourd@ocdsb.ca) or [613-728-1721](tel:613-728-1721) ex. 2015.
